

SCHOOL WEAPONS POLICY

POLICY:	501
ADOPTED:	06/21/99
REVISED:	04/26/21

I. Purpose

The purpose of this policy is to assure a safe school environment for students, employees, and the public. This policy provides a framework for reporting actions that violate this policy and district actions when it receives such a report.

II. General Statement of Policy

No student or non-student, including adults and visitors, shall possess, use or distribute a weapon when in a school location except as provided in this policy. The school district will act to enforce this policy and take appropriate action with any student, teacher, administrator, school employee, volunteer, or member of the public who violates this policy.

III. Exceptions

- A. A student who finds a weapon on the way to school or in a school location, or a student who discovers that he or she accidentally has a weapon in his or her possession, and takes the weapon immediately to the principal's office shall not be considered to possess a weapon. If it would be impractical or dangerous to take the weapon to the principal's office, a student shall not be considered to possess a weapon if he or she immediately turns the weapon over to an administrator, teacher or head coach or immediately notifies an administrator, teacher or head coach of the weapon's location.
- B. It shall not be a violation of this policy if a non-student (or student where specified) falls within one of the following categories:
 - 1. active licensed peace officers;
 - 2. military personnel, or students participating in military training, who are on duty performing official duties;
 - 3. persons authorized to carry a pistol under Minn. Stat., §624.714, while in a motor vehicle or outside of a motor vehicle for the purpose of directly placing a firearm in, or retrieving it from, the trunk or rear area of the vehicle;

4. persons who keep or store in a motor vehicle pistols in accordance with Minn. Stat. §§ 624.714 or 624.715 or other firearms in accordance with § 97B.045;
 - a. Section 624.714 specifies procedures and standards for obtaining pistol permits and penalties for the failure to do so. Section 624.715 defines an exception to the pistol permit requirements for “antique firearms which are carried or possessed as curiosities or for their historical significance or value.”
 - b. Section 97B.045 generally provides that a firearm may not be transported in a motor vehicle unless it is (1) unloaded and in a gun case without any portion of the firearm exposed; (2) unloaded and in the closed trunk; or (3) a handgun carried in compliance with §§ 624.714 and 614.715.
5. firearm safety or marksmanship courses or activities for students or nonstudents conducted on school property;
6. possession of dangerous weapons, BB guns, or replica firearms by a ceremonial color guard;
7. a gun or knife show held on school property;
8. possession of dangerous weapons, BB guns, or replica firearms with written permission of the principal or other person having general control and supervision of the school or the director of a child care center;
9. persons who are on unimproved property owned or leased by a child care center, school or school district unless the person knows that a student is currently present on the land for a school-related activity; or
10. possession of realistic replicas of firearms or other dangerous weapons for all theatre-based productions. All theatre-based productions must receive prior approval from the superintendent for use of such props and at no time a real weapon can be used in any school district capacity during a production.

C. Policy Application to Instructional Equipment/Tools

While the school district does not allow, use or distribution of weapons by students or nonstudents, such a position is not meant to interfere with instruction or the use of appropriate equipment and tools by students or nonstudents. Such equipment and tools, when properly possessed, used and

stored, shall not be considered in violation of the rule against the possession, use or distribution of weapons. However, when authorized instructional and work equipment and tools are used in a potentially dangerous or threatening manner, such possession and use will be treated as the possession and use of a weapon.

D. Firearms in School Parking Lots and Parking Facilities

A school district may not prohibit the lawful carrying or possession of firearms in a school parking lot or parking facility. For purposes of this policy, the “lawful” carry or possession of a firearm in a school parking lot or parking facility is specifically limited to nonstudent permit-holders authorized under Minn. Stat., § 624.714 to carry a pistol in the interior of a vehicle or outside the motor vehicle for the purpose of directly placing a firearm in, or retrieving it from, the trunk or rear area of the vehicle. Any possession or carry of a firearm beyond the immediate vicinity of a permit-holder’s vehicle shall constitute a violation of this policy.

IV. Consequences for Weapon Possession/Use/Distribution

A. Administrative Discretion

While the school district does not allow the possession, use or distribution of weapons by students, the superintendent may use discretion in determining whether, under the circumstances, a course of action other than those consequences specified above is warranted. If so, other appropriate action may be taken, including consideration of a recommendation for lesser discipline.

B. Pursuant to Minnesota law, a student who brings a firearm, as defined by federal law, to school will be expelled for at least one year. The school board may modify this requirement on a case-by-case basis.

C. The school district does not allow the possession, use or distribution of weapons by students. Consequently, the minimum consequence for students possessing, using or distributing weapons shall include:

1. confiscation of the weapon; and
2. parent or guardian notification.

D. Consequence for students possessing, using or distributing weapons may include:

1. suspension, exclusion or expulsion;

2. immediate policy notification; or
3. recommendation to the superintendent of dismissal for a period of time not to exceed one year.

V. Consequences for Weapon Possession/Use/Distribution by Non-students

A. Employees

1. An employee who violates the terms of this policy is subject to disciplinary action, including nonrenewal, suspension, or discharge as deemed appropriate by the school board.
2. Sanctions against employees, including nonrenewal, suspension, or discharge shall be pursuant to and in accordance with applicable statutory authority, collective bargaining agreements, and school district policies.
3. When an employee violates the weapons policy, law enforcement may be notified, as appropriate.

B. Other Non-students

1. Any member of the public who violates this policy shall be informed of the policy and asked to leave the school location. Depending on the circumstances, the person may be barred from future entry to school locations. In addition, if the person is a student in another school district, that school district may be contacted concerning the policy violation.
2. If appropriate, law enforcement will be notified of the policy violation by the member of the public and may be asked to provide an escort to remove the member of the public from the school location.
