

ISD 199 Special Education Advisory Committee (SEAC) Presents: Sensory Processing Disorders

APRIL 13, 2016 at 5:30PM-8:00PM in the
IMC Room at Salem Hills Elementary
5099 Babcock Trail, Inver Grove Heights, MN 55077

Join us for an informational meeting on sensory processing disorders.

Participants will receive information on sensory processing disorders and how occupational therapy supports students in the educational setting. Parents will gain an understanding of what sensory processing disorders look like, what is behavior vs. what is sensory, and strategies.

Daycare is available upon request

For more information or to request for daycare, contact Betty Jo Zepeda @ (651) 306-7821, email: bettyjo.zepeda@isd199.org
