Dear Neighbor,

School meals help students sustain the energy they need to be successful in the classroom. Though nothing should stand in the way of a child's access to a nutritious meal, many families who are experiencing financial difficulties cannot afford to keep money in their student's school lunch account. That is why Inver Grove Heights Schools has an Angel Fund.

Families and community members are invited to donate to the Angel Fund to help a student in need pay for a school meal. ISD 199 is dedicated to preparing high-quality, affordable meals, so a donation of only \$10 will feed a student for a week.

How to Donate to the Angel Fund:

Designate a check for the Angel Fund and make it payable to ISD 199

OR

Transfer funds from your student's account to the Angel Fund by filling in the following information:

Student Name _____ PIN # _____

Parent/Guardian Signature _____ Date _____

Please send your check or completed form to:

**ATTN: Food Service
Inver Grove Heights Schools
2990 80th St. E.
Inver Grove Heights, MN 55076**

Your donation is greatly appreciated. Your generosity will prepare a child for success through a balanced, high-quality meal. Thank you!

Sincerely,

ISD 199 Food Service Staff
