

Therapy OPS is turning 5 and we are throwing the birthday party of the year!

We want your children to feel as happy and loved as they have made us feel over the past 5 years.

So we are going the extra mile to make sure ALL children enjoy this birthday party!

# YOU'RE INVITED BIRTHDAY PARTY AND GRAND RE-OPENING

**SATURDAY SEPTEMBER 7, 2019  
12:30 - 2 PM  
IMMEDIATELY FOLLOWING  
INVER GROVE HEIGHTS PARADE**

**THERAPY OPS  
2925 Buckley Way  
Inver Grove Heights, MN 55076  
For more info visit us on Facebook!**

We will have cake, food, party games (including calm indoor activities for those that get overwhelmed or frequently elope), and presents for all!

Oh wait...you thought we were done? There will be a petting zoo courtesy of Children's Country Day School! And there is a pretty good chance we'll have a dunk tank...plot your revenge as you see fit!

This party is for everyone, so please invite your friends! We want to make sure everyone can feel the simple joy of going to a birthday party! Follow us from the Inver Grove Heights parade or join when you are able.

Our new addition will be completed, so the party will be rain or shine with everything moved indoors if needed.

To make sure we continue supporting our community as much as our community has supported us, feel free to bring an unwrapped, new toy (of any value), we will donate them all to local family shelters to provide birthday presents for those in need.
